PRESS RELEASE

City park must be revitalized for the recreation of all categories of society

EC Ma Ndryshe and OPMDK in Prizren have published the visioning report, and conducted the public performance "City park for everyone".

The revitalization vision of the city Park, and the adaptation of this green public space for the needs of the people with disabilities was designed after several months of consultations with different groups of people with disabilities and regular users of the park.

Within the public performance, the requests arising from the visioning of interventions were presented, such as the creation of accessible sidewalks for all, new access ramps for the existing stairs and for the bridge, toilets for the disabled in the existing public toilets, playgrounds for all children, multifunctional field, parking for the disabled, benches for everyone, etc.

For more information about the visioning of the City Park, download the full report in the link:
